This agreement is between the Mare Owner _____ and Stoneman Quarter Horses. The Mare Owner agrees that he/she is the registered owner or acting as the agent of the registered owner of the mare named _____.

THIS SERVICE IS SUBJECT TO THE FOLLOWING:

- Mare must be halter broke. Mare/Foal shall be healthy and in sound condition, free from infections, contagious, or transmissible diseases. A current negative Coggins Test, veterinarian's health certificate, plus a worming and immunization record must accompany the Mare. If they do not, Stoneman Quarter Horses reserves the right to request Outback Stallion Station's veterinarian to examine and/or test the Mare at the Mare Owners expense. Stoneman Quarter Horses reserves the right to refuse service to any Mare/Foal not in proper condition.
- Stoneman Quarter Horses and Outback Stallion Station agree to diligently try to settle the Owner's Mare. The Mare Owner agrees to give Stoneman Quarter Horses and Outback Stallion Station ample time to settle the Mare. If for any reason the Mare does not settle, rebreed privileges will be available.
- Live Foal Guarantee:** Shall pertain only to Mares that are pronounced **Safe in Foal by a Veterinarian within 90 days after the last breeding date. A copy of this report must be received by Stoneman Quarter Horses within 120 days after the last breeding date** or the Live Foal Guarantee will be null and void. A "Live Foal" is defined as one that will stand and nurse. If the Foal dies at birth, the Mare Owner agrees to furnish Stoneman Quarter Horses a veterinarian's certificate describing the occurrence within 7 days of the occurrence. In such a case, rebreed privileges will be available.
- If the Mare deceases or becomes unfit to breed, the Mare Owner may substitute a mare for use of rebreeding privileges.
- Rebreed Privileges:** Privileges of rebreed are only available for the following breeding season. The breeding fee will not be refunded. If the Mare Owner fails to return the following year, then any and all fees paid shall be forfeited, the right to rebreed is canceled and Stoneman Quarter Horses is released from all obligation of this contract.
- If the above the Stallion, Poco Clint Grande, deceases or becomes unfit for service for any reason, then this contract will be null and void. Both parties are relieved of any further obligation. Any monies paid by the Mare Owner toward the Breeding Fee, with the exception of the non-refundable Booking Fee that is included, shall be refunded to the Mare Owner.
- The Mare Owner is responsible for all veterinarian fees. Before the Mare leaves Outback Stallion Station (the breeding facility utilized by Stoneman Quarter Horses), all unpaid board, expenses, and fees become due and payable. The Mare will not be released to the Mare Owner until all monies are paid in full.
- A Breeder's Certificate will be issued for the Foal when the Mare has produced a Live Foal from this breeding and all expenses have been paid in full.
- It is further agreed that Stoneman Quarter Horses and Outback Stallion Station shall not be held responsible for disease, accident, sickness or death of the mare and/or foal while under their care.
- Stoneman Quarter Horses will not hold the Mare Owner responsible for any disease, accident, or injury to our Stallion.
- If for any reason the Mare does not settle, the Mare Owner will hold Stoneman Quarter Horses and Outback Stallion Station harmless.
